It's simple – here's how the Orion meter trade-in works:

1. Purchase an Orion benchtop meter from the list between June 17 and December 31, 2016 using the promotional part numbers provided. Your special pricing will be automatically calculated.
2. Our technical sales representative will contact you for pick-up of your old benchtop meter. This offer cannot be combined with any other offer or discount. Offer valid in United States and Canada only.
3. We'll dispose of your old meter using Responsible Recycling practices (R2).*

Terms and Conditions: Offer applies to new qualifying meters purchased between June 17, 2016 to December 31, 2016 in the United States and Canada. Limit five promotion redemptions per customer, company and or shipping address. Customer acknowledges that this offer may include a discount or other price reduction that must be properly and accurately accounted for and reported by customer in accordance with all federal and state laws, including without limitation the federal anti-kickback law (42 C.F.R. § 1320a-7b(b)(3)(A)) and regulations thereunder (42 C.F.R. §1001.952(h)). This offer is void where prohibited by law or company policy. For more details regarding this promotion contact your local sales representative.

**Responsible Recycling (R2) – A voluntary standard for ensuring best practices in the recycling of electronics, where used and end-of-life electronic equipment are managed in an environmentally responsible manner, protective of the health and safety of workers and the public.*
